

# DocuSign Mobile Solutions: Keep Business Digital™ Anywhere,

## Introducing DocuSign Mobile Solutions.

### Finally, businesses can close transactions securely, anywhere, anytime, on any device.

DocuSign provides the most complete mobile solution to meet the demands of any mobile initiative.

Empower Your Mobile Workforce: Originate, send, and sign documents for signature from any mobile device. Unified experience between PCs, tablets, and smartphones means work gets done, no matter where you are.

Deliver Industry Leading Customer Experience: Delight customers with the ease and convenience of signing a contract directly on a tablet during a face-to-face meeting or from their own smartphone when they are on-the-go. DocuSign is used by over 50M consumers across 189 countries. Chances are, your customers (and staff) already love to DocuSign.

Automate End-to-End Business Processes: Leverage DocuSign's prebuilt integrations and rich APIs to connect with existing systems. DocuSign helps you unlock the ROI of your existing CRM, SFA, ERP, and HRIS implementations.

## Thousands of mobile use cases have been implemented by DocuSign customers.

### The only limit is your imagination.

Field Sales: Account executives leverage DocuSign to close deals on the spot, during face-to-face interactions with customers. DocuSign's workflow automation and tight integration with CRM systems helps you close more deals, and onboard customers even faster.

Field/Service Agents: Insurance companies and agents leverage DocuSign in the field for new policies and

“Internally, our folks love it—from Jeff who is responsible for contracts and NDAs or Larry who manages our legal documents to Nick who is responsible for the products and sales team.

Our customers are happy with the process and what had taken days, now takes hours. DocuSign has made a real, definable impact on our bottom line.”

claims processing. By integrating DocuSign with existing back office systems, customers benefit from increased speed and reduced errors of straight-through processing.

Account Opening and Other Paper-Intensive Processes: Banks and credit unions enhance the in-branch retail experience by using DocuSign on tablets to automate paper-intensive processes such as account opening and asset transfers. DocuSign's guided signing capabilities ensure transactions are completed in a matter of minutes accelerating time to revenue while delighting customers.

Approvals by Executives and Your Customers: Signers are never more than a tap away on their smartphones from reviewing and approving important contracts. Push alerts and Document Dashboard on DocuSign's award winning mobile App accelerate contract completion.
